YOU WANT MAMMOTH REAL ESTATE LISTINGS

AND I WANT TO SEND THEM TO YOU

I'll get straight to the point...

Are you looking for a bargain on a home in Mammoth Lakes CA?

If you don't, I'm sorry because I've just wasted about 10 seconds of your time.

If, on the other hand, you do want a deal on a Mammoth home, then I think you're going to be very interested in what I'm about to tell you.

The purpose of the letter is simple. I want to send you the listings you want to receive. But before I do this, I want to give you something for your trouble. I want to give you something you can use right now.

You just want listings and information without having to give your phone number to be pestered by persistent Realtors wanting a sale now, not when you're ready. Am I right?

But if you insist on a face to face meeting, stop by my office on Main Street, I'd be happy to meet with you if you're ready. You can reach me toll free at 1-800-836-9420 or on my mobile phone at 760-793-6344.

However, if you just want listings, not to fear. I'm happy to just do that too.

It's a well-known fact that the greatest real estate bargains
are picked up quickly.

We can also strategically make offers at what you believe is a great deal. But if you don't know what is on the market and what makes a great deal, you're not in an advantageous position.

I'm Stacie Robbins, Realtor-Associate, ePRO & Vacation Specialist at Coldwell Banker on Main Street in Mammoth and here's what I'll do for you:

- Send you not more than one email daily with a link to the listings that meet your criteria.

- Never, Never, Never share your information with anyone else.

- Respect your time and communicate with you in the manner YOU want. Email, US Mail, Fax, Phone, Text Messaging, Instant Messaging and any other form of communication you can come up with. Point is, it's your choice.

Why suffer the pressure of a sales person when all you want is information right now? Fill out the form below to specify the type of home you are looking for and the price range in which to limit your search results.

ONLY YOUR FIRST NAME AND VALID EMAIL ADDRESS ARE REQUIRED - PHONE IS NEVER REQUIRED.

Here is an example of the link you will receive in your email notification and what the listings look like:

The purpose of the work I do is to make big differences in helping you find your Mammoth home and negotiating the best price and terms for you. The time you save by receiving targeted listings will alleviate the usual stress of buying real estate.

Even if the timing is not right for you now, you'll be glad you're receiving the listings when you find the perfect vacation home at the right price. And remember, it's FREE and there's no obligation.

Actually, the only thing I expect is that when you are ready step forward and tour properties, you'll allow me to show you around.

Just imagine, if you pass up this opportunity, you could be missing out on the deal of the year. Maybe not, but if you don't know what is on the market, you'll never find the bargains. And you won't actually know unless you contact me.

Filling out the form below will get you access to my VIP Buyer Program. Not only will you receive daily listings meeting your criteria as soon as they are added to the market or just once per day.

You will also have UNLIMITED access to search the MLS in real time.

As part of the VIP Buyer Program, you are also entitled to receive the monthly Mammoth Real Estate Newsletter full of information in an easy to scan format. Not only current listings, but market statistics and sales data both recently and historically.

No need to talk to a Realtor until YOU'RE ready. Does that sound fair to you?
